PATIENT REVIEWS

★★★★★

"I've been managing my blood pressure for years but could never get a consistent provider. With Greater ATL Health I see the same doctor every time, she knows my history, and I feel like I actually have a doctor."

★★★★★

"My son needed a sports physical for football and we couldn't get in anywhere. Booked online, had the video visit the next morning, and the form was signed and emailed within the hour. Couldn't be easier."
